Introducing the CT Behavioral Health Home Initiative

The Behavioral Health Home initiative is an innovative approach to healthcare delivery. Behavioral Health Home services are available to eligible CT Medicaid members to conveniently access behavioral health, medical, and community based services in a way that promises better patient experiences and outcomes. Behavioral Health Homes aim to improve health outcomes by offering the following services:

CARE COORDINATION

HEALTH PROMOTION

CARE MANAGEMENT

INDIVIDUAL & FAMILY
SUPPORT

REFERRAL TO COMMUNITY
& SUPPORT SERVICES

TRANSITIONAL CARE

If you would like to learn more about the Behavioral Health Home initiative, please call us at 1-844-551-2736 or visit us online at www.CTIntegratedCare.com.

CT's Behavioral Health Home initiative is funded by the State of CT.
