June 18<sup>th</sup>, 2021

1:00pm – 2:15pm

Virtual Meeting

**Attendees:** *Please see page 2 for list of participants*

### Notes

#### 1. Billing Updates

- a. FY21 PCP Consultant trackers are due signed by the PCP Consultant, BHH Director, and the CEO by Friday July 30<sup>th</sup>. As a reminder if an agency has more than one consultant they need to sign their own tracker. Some of the agencies have multiple so we are expecting multiple trackers from those agencies. Only completed, signed trackers will count towards the FY final tracker hours which will be shown on the August report. Also, salary is a requirement on the trackers. This information is used in rate setting. The full top portion of the Summary tab needs to be completed in order for the tracker to be considered completed (which includes salary information).
- b. FY22 PCP tracker will be sent out prior to July 1<sup>st</sup> to the BHH directors.
  - i. Denise will send Lauren list of the current BHH Directors
  - ii. Lauren asked the BHH Directors to forward the tracker to the PCP consultants
- c. Billing still has some logic that needs to be updated. However, the DMHAS IT department is working on other priorities at the moment. Once IT is able to work on the logic to add psycho-education audio and visual for waiver clients, providers will be notified.

#### 2. DMHAS/ASO Updates

- a. Denise will send an email out with DMHAS/ASO updates at a later date.
