BHH Provider Medicaid re-enrollment

- Providers must reenroll every three years for credentials to submit BHH claims to Medicaid.
- Ryan will send out an ATN#, which is needed to complete the process.
- Agency business offices will receive a letter that will provide instructions to enroll,
- There is a six-month window to enroll but agencies are encouraged to do so when they receive the information as it can take up to six weeks to finalize.
- Please complete the online documents and upload any additional documentation requested, but no later than 6-weeks prior to the due date.

Quarterly Check-in meeting

- Check-in's have been changed from monthly to quarterly
- We will meet in June, September, December and March.
- Ryan will send his reports to each provider on a monthly basis
- The next Provider Report card will go out in August, to be reviewed in September check-in.

DMHAS Code Update:

- CPT Codes for Audio/Visual Services have been updated
- Place of service updated to Audio and Visual at home (10) or Audio and Visual Client in other location (02)
- We will bill 02 or 10 if it is a Medicare claim.
- We will only bill 02 on a Medicaid claim, if 10 is selected in the encounter we will map, behind the scenes, to 02
- Changes will be added into DDaP and there will not be an error.
- WITS: DMHAS will do a work around.
